FERRANTI MAINTENANCE PARTS – Apr 2008

SUITABLE FOR TYPE “DS / ES” ON-LOAD TAPCHANGERS

Table with 5 columns: Description, Item No., Full qty per unit, Used on, and an empty column. Rows include Recommended maintenance parts (Fixed Contact Kit, Moving Contact Assembly, Contact - Fixed/Moving Roller, Main Contact Kit, DS2/ES3 Gasket Kit, Windows, Valve) and Optional spares (Operations Counter Assy, Motor Capacitor, Capacitor mounting boss).

Notes:

- 1. Genuine OEM parts supplied by Ferranti Tapchangers Limited.
2. Illustrated parts manual available on request.
3. Availability – most parts ex stock Melbourne with backup stocks from UK by air freight approx 7/10 days into store.
4. If you need a part which is not on this list please provide full details including a photo if possible.
5. Please request a quote based on actual quantities required and advise tapchanger serial number to ensure compatibility.
6. Fixed and moving rollers are offered as an alternative to the full contact kit but it is recommended that the full set be replaced including the bearing pin, spring, washers, etc., as they are all subject to wear and/or reduction in performance with extended use.
