

PARTS LIST 300-906-7 – Sept 2008

OEM PARTS SUITABLE FOR ATL / FULLER TYPE “F” ON-LOAD TAPCHANGERS

Description Fuller F 33, 44 & 66	Part Number	Drawing Reference	Used on	Fuller / ATL Part No.
		300-906-rev3		
Fixed Contact Assy- Mk1 100A (refurb)	301-110-AR	1	F	216066
Fixed Contact Assy– Mk1	300-105-A	2	F	315271
Fixed Contact Assy– Mk2	300-109-A	3	F	311163
Fixed Contact Assy	300-108-A	4	F	311185
Fixed Contact Assy	300-104-B	5	F	
Fixed Contact Assy – (refurbished)	300-225-AR	6	F	570673-B
Fixed Contact Assy	300-721-A	7	F	570673-A
Fixed Contact Assy	300-107-A	8	F	312702
Contact Fixing Kit	300-113-A	9	F	560817-A
Contact Fixing Kit	300-113-B	10	F	560817-B
		300-907-rev3		
Main Moving Contact – Mk2	300-027-A	1	F	311184-A
Main Moving Contact – Mk1	300-003-A	2	F	217380-A
Roller Contact	300-004-A to H	3 to 10	F	318389-A to H
Contact Spring	300-115-3	11	F	220711-3
Contact Spring (upgrade)	300-114-2	12	F	311162-2
Inspection Cover Gasket – Mk1	900-001-4	13	F	
Inspection Cover Gasket – Mk2 – 33kV	900-001-2	14	F33	130903-86
Inspection Cover Gasket – Mk2 – 66kV	900-001-18		F66	
Locking Rings	947-012	15	F	
Transition Resistor – Mk1	300-223	16	F	121979
Transition Resistor – Mk2	300-206	17	F	132950
Special Screw	300-023-1	18	F	013326-1
Flexible Connection - 130mm approx	300-026-A	19	F	Lengths may vary from nominal
Flexible Connection - 145mm approx	300-026-B	19	F	
Flexible Connection - 113mm approx	300-026-C	19	F	
Flexible Connection - 170mm approx	300-026-D	19	F	
Contact Spring	300-114-1	20	F	31162-1
Special Screw	300-023-2	18	F	013326-2
Contact Holder – Left Hand	300-239-1	22	F	124801
Contact Holder – Right Hand	300-239-1	23	F	124801

Notes:

1. OEM parts supplied by Brush Transformers Limited who are the current manufacturer of the Associated Tapchangers Limited (ATL) AT and AE On-Load Tapchanger, and for whom Eng-Com is the Australian agent. Previously sourced via Global Power who has ceased trading.
2. Refer Global Power UK Limited drawings 300-906 and 300-907
3. Availability – a limited stock is carried in Melbourne with many items ex stock UK by air freight approx 7/10 days into store, subject to availability.
4. We can also refurbish your old contact assemblies provided they are in a suitable condition
5. If you need a part which is not on this list please provide full details including a photo if possible.
6. Please request a quote based on actual quantities required and provide the tapchanger serial number for confirmation of parts numbers.
